

Stoney Point Stingrays Team Suits and Caps

Team suits are strictly optional. We'll have a sizing kit on hand during the first week of practice for you to determine the swimsuit size your child will need; be sure to try on the style you wish to order (see below). You may also consider purchasing a used swimsuit from a team member; see the bulletin board in the pool area for sizes that are available.

You are responsible for ordering the suits from Agon if you choose to make the purchase as there will not be a group order. The YMCA will provide a team cap for new swimmers at no charge. These should only be worn for meets, not for practices. Additional caps may be purchased for \$3.00.

Online Ordering Instructions:

- Go to Agonswim.com
- click Register (top of screen)
- Follow the steps to fill in your information
- When you get to the Team selection choose 'Stoney Point YMCA, Cedar Rapids'
- Team Representative Name: Greta or Tracie (only enter one)

There are now three strap options available for girls' suits. The freeback is our traditional suit and sells for \$49 as does the new thin strap option. A third option, the 2x (this has nothing to do with size) sells for \$51 because it has a lining in the back.

Style 2x thin straps

If you wish to order this suit, try on a 1x style

Thin straps, samples available for sizing

Freeback, our traditional suit, samples available for sizing

Style 1x thin strap (sizing sample only for the 2x option. Style 1x is not available for purchase)
